Pine Hills is a full-service outdoor venue located just off Route 23 in South Ottawa, Illinois. Our location offers convenient access to overnight guest accommodations and various local amenities just minutes away. Rental includes exclusive use of the property --no neighbors, outside guests, or highways --just the woods and the winding Covel Creek creating total privacy for your event.

Pine Hills provides unique and personalized events to those looking for something artfully curated and unforgettable. Our experienced and dedicated planning services and in-house decorators make your day feel effortless. We are proud to be an inclusive, environmentally conscious, family business.

The ceremony garden we've created features a natural stone staircase and pathway leading to a heart-paved plateau with a steel moon arbor. The surrounding multi-season gardens are flanked by boulders, and the plateau provides elevated views of Covel Creek, the course bridge, and our golf greens, offering endless photo opportunities. We also offer shady summer ceremony options under our majestic oak trees.

Our one-of-a-kind Open Air Pavilion provides just the right amount of modern indoor/outdoor event space for a memorable evening. The building and surrounding landscape were inspired by travels and thoughtfully designed with a walk up bar, wood burning fireplace, and natural features to enhance the gorgeous view--and the party!
